BEST PRICES AND VALUES LTD

**The unmistakable
look and security of
solid fencing is now
available at
sensible prices**

Betta Panels and Walls Ltd have designed and developed this unique solid fence system that is virtually indestructible, leaning heavily on the latest composite technology and incorporating the natural properties of stone. All our panels are factory manufactured and delivered as modules. **We do not use any timber.**

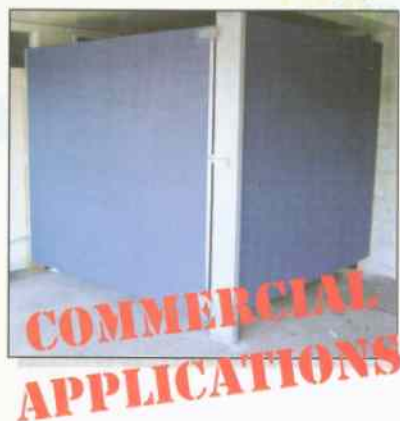

Our new and very cost effective wall system is simply **Betta**.

Standard Features of Solid Fencing Systems:

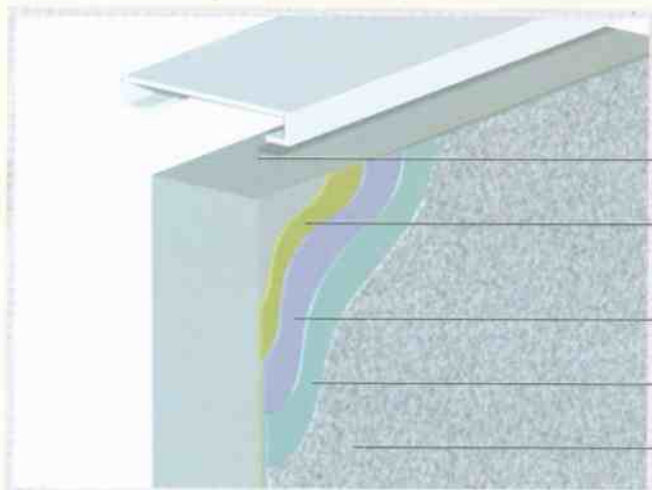

- Great Looking
- Improves Property Value
- Improves Security
- Ultra High Sound Absorption Properties
- Improves Swimming Pool Safety

What Makes Betta Panels Better?

- Our wall won't Rot
- Our wall won't Warp
- Our wall won't Split
- Our wall won't Crack
- Our wall won't Rust
- Our wall is **SUPER STRONG**
(upto 9 times that of timber)
- Our wall is maintenance free
(Paint every 8 - 10 years)
- Our wall will cause little or no damage to your garden or existing property.
- Our wall can be installed in as little as **2 days**.
- Our wall can be used in commercial or residential situations
- Our wall will not **BREAK YOUR BUDGET**

Betta Panel and Walls have styles available that sit well in contemporary/ beach/ commercial locations
