Town & Around use and recommend DULUX® Powder Coating

Over 20 years in the industry have earned us a well established and highly respected reputation as being the leader in all aspects of residential and commercial, steel and timber fences and gates.

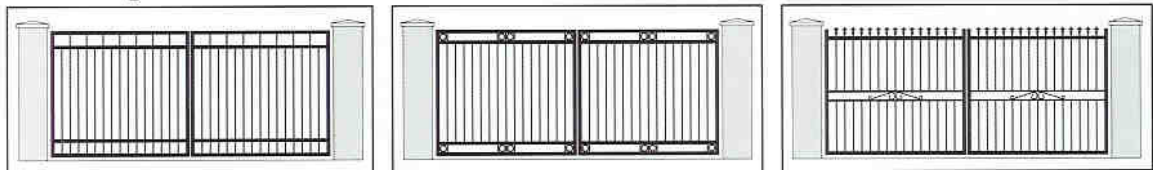

The Town and Around Showroom offers samples of many different styles of fences, gates and balustrades available. Whether it is trellis, oriental screening, Alsteel® or Anchor® pool fencing systems, Steel, Aluminium, Stainless Steel or simply a paling fence or gate, we display and build them all.

The focus of our company is to offer you an extremely high quality product and service to suit your budget. We offer either supply only or supply and installation service. This will be carried out by our experienced and professional people in a courteous manner that is second to none.

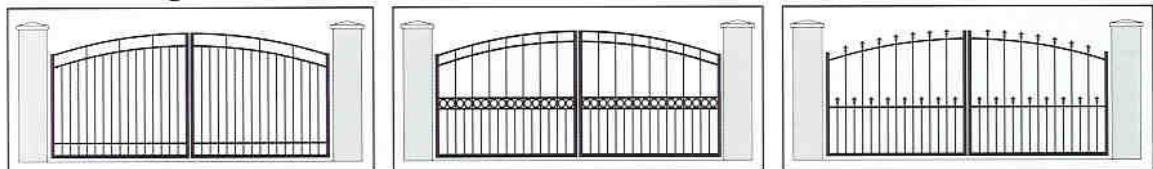

We encourage customers to come in, browse the sales area and see the hardware division, where the materials are fabricated and products are made to create your new fence, gate or balustrade.
